NOTES

Course Content: Please be aware that the endorsement is 1 - 8 for the elementary teachers and 7-12 for the secondary teachers so they should be prepared to entertain material that is within these limits. In addition, the State requires some courses for the endorsement that span the K-12 development spectrum.

The Praxis 0204 that will be required for the Reading Endorsement 1 in Utah is entitled "Teaching Reading." It does not have the word Elementary in it, nor is it focused only on Elementary. The Utah endorsement is a K-12 endorsement, and the new Praxis we are using is a test that covers reading issues K-12.

ATTENDANCE POLICY

Attendance policy:

This policy is formulated on the fact that missing one class of the reading endorsement is equal to missing three classes of a regular course. We recognize that teachers may have to miss one class due to parent teacher interviews but that will be counted as one missed class. Participants are expected to attend classes that may be held during spring break or other school breaks.

The following is the attendance policy for all classes of the Reading Endorsement offered through CITES.

Two missed classes, excused or unexcused - loss of a full grade (from A to B for example).

Three missed classes, excused or unexcused - no credit for the class.

Missing one hour of class time, excused or unexcused (either by coming late or leaving early) will count as a missed class.

Exceptions to this policy may be considered through a written request to Dr. Barry Graff, CITES Professional Development Director.
