## SAGE Benchmarks (3-6)

Testing window

**All tracks:** 8/22/2017 to 6/15/2018

SAGE benchmark tests allow teachers to give brief (15-30 min) online assessments for one reporting category or standard. These tests are designed to be used formatively. They are fixed-form tests, not adaptive. The questions are drawn from the SAGE Interim item bank. Student scores and responses are both visible in teacher reports. The scores and reports are accessed via AIR Ways Reporting instead of via ORS. Report guides: <http://sageportal.org/wp-content/uploads/AIR-Ways-Benchmarks-School->

### SAGE Interim Winter (3-6)

Testing window

**All tracks:** 1/3/2018 to 3/9/2018

SAGE Interim tests are optional. If you choose to administer them, you will need to adhere strictly to the Test Administration Manual and maintain test security. This is not a practice test where teachers can review questions with students. Interim is, rather, an opportunity to take a shorter version of the SAGE midyear to predict end-of-year results. For a practice test, we recommend using the actual SAGE practice tests. More information can be found at <http://assessments.jordandistrict.org/sage/>. If you have questions, please contact Brooke Anderson at 801-567-8393 or [brooke.anderson@jordandistrict.org](mailto:brooke.anderson@jordandistrict.org). You can also contact Gaylene Miller at 801-567-8112 or [gaylene.miller@jordandistrict.org](mailto:gaylene.miller@jordandistrict.org).

If you have questions, please contact Gaylene Miller at 801-567-8112 or [gaylene.miller@jordandistrict.org](mailto:gaylene.miller@jordandistrict.org). The window for this year's school climate survey is currently open until Friday, March 16, 2018. All middle school students should have an opportunity to take the survey during school hours. School techs have created an easy icon on school designated computer labs to facilitate easy access to surveys for students. A link to the parent survey should also be sent out via Skylert. Additionally, a link to the parent survey may be placed on the school's web site. Please contact Ben Jameson with any issues, questions or concerns regarding the survey. Administrators are asked to approve SLOs at the beginning of the year and review the status of SLOs during evaluations.
